

TRUDESTINY SERVICES

Connecting *MISSION* With *SUCCESS*

June 29, 2009

Dear Ms. Veney:

First, I would like to thank you for the opportunity to highlight and attest to excellent services that EVA has provided TruDestiny Services. Since starting my business in 2006, I have utilized the EVA portal to keep abreast of procurement and networking opportunities, training, as well as various business development resources.

TruDestiny Services has acquired over \$225K in revenue due to procurement opportunities advertised on the EVA portal. Some of the State of Virginia customer relationships and alliances that we have been blessed to form include Northern Virginia Training Center, Northern Virginia Mental Health Institute, Southern Virginia Mental Health Institute, Chesapeake Redevelopment and Housing Authority, Arlington Behavioral and Health Services, Norfolk Public Schools, and other SWAM (Small Woman and Minority) businesses.

Again, please extend my sincere thanks and appreciation to each member of the EVA team. Their dedication to small business growth has greatly assisted my business with obtaining the success that the company continuously and diligently strives to achieve.

If you have any questions, please do not hesitate to contact me directly at 757 582-9555.

Respectfully,

Cynthia McCoy-Bankston, CEO

TruDestiny Services
